

## QUESTIONNAIRE

The Association of Psychology in Newfoundland Labrador (APNL) was formed in 1976 and became incorporated in 1985. It is a voluntary organization dedicated to furthering the discipline and profession of psychology in this province.

APNL supports the discipline of psychology in its broadest form. Most APNL members are registered psychologists, working in post-secondary, healthcare, education or in private practice. Some members may be graduate students of psychology and other members may be teaching psychology at the college or university level and/or engaged in psychological research.

It would be greatly appreciated if you would please take a few moments to fill out the following questionnaire and return it to Dr. Janine Hubbard ([janine@janinehubbard.com](mailto:janine@janinehubbard.com)). The association will be sharing your answers with our members and other stakeholder groups.

- 1) What is your party's position on improving access to psychological services?
- 2) Does your party platform contain anything related to matching the Federal Government's announcement by increasing the amount covered for psychological services from \$500 to at least \$2000 for all provincial employees?
- 3) What will your party do to ensure Timely Access to Psychology Services for those who need lengthier (e.g. 12-20 session) evidence-based psychological interventions for more complex psychological issues.
- 4) Does your party platform contain measures that will ensure ongoing funding & support for the PsyD Program at Memorial University?
- 5) What is your party's commitment to improving access to psychological services, particularly gaps in Health Psychology such as Diabetes, Oncology and Bariatric Surgery?
- 6) Does your party plan to improve access to psychological services for adolescents and adults with Autism Spectrum Disorder (ASD)?
- 7) Will your party commit to meeting National ratio Standards for Educational Psychologists in Newfoundland & Labrador's Schools?
